VOTER REGISTRATION NUMBERS

The percentage of turnout for the June Primary Election is calculated on the total number of active voters affiliated with the Republican Party (statewide/countywide primary), and the total number of active voters affiliated with the Democratic Party in two districts where Democratic Primaries occurred (Salt Lake County Council District #6 and Utah State House of Representative District #33). The number of unaffiliated voters is also included for the three local school board districts where primaries were scheduled – (Granite District #1 & #2 and Salt Lake School Board Districts #1).

The remaining number of active unaffiliated registered voters have not been added to the total.
