

COVID-19 Prevention for Parks and Sports

- Children's playgrounds are closed.
- Team sports, including pickup games, are prohibited.
- Do not share equipment with others.
- Sport fields and courts may be open but should be used individually or only by members of the same household.
- We encourage individual sports and activities that allow 6 feet to remain between people not in the same household.
- Recreational areas, including parks, trails, trailheads, dog parks, and sports fields and courts should be used only while maintaining 6-feet of space between people not in the same household.
- Wash or sanitize hands frequently throughout the activity.
