

Liberty Senior Center September, 2022

Tim moved to Utah after selling Corinne's (my wife) and my business in 2001. I have varied experience in food and beverage, elected county official, operations, customer service and sales. We retired to raise our 2 daughters in mountains so they would be good skiers. We weren't very good at being retired so dabbled in volunteering at school where our girls attended. I also volunteered at jails and Draper prison but that didn't fill my time, so as AmeriCorps volunteer with SLCo, I worked with homeless population and was hired after a year with State DWS as Employment counselor for various supported housing and shelters for past 11 years. Now our daughters have graduated post-secondary schools and my goal is to work a shorter work schedule. I thought working at Liberty Senior Center located near a shelter would offer a fine transition. Here I am!
