Introduction

Choosing a peace officer career can prove to be an interesting and personally satisfying choice. The Salt Lake County Sheriff’s Office is one of the largest law enforcement agencies in the State of Utah. The office operates a full-service agency consisting of over 850 full time employees. Over 680 sworn members serve in all ranks in our Corrections and Public Safety Bureaus.

Salt Lake County has a Peace Officer Merit Commission, which is established under Utah Law, Title 17 Chapter 30a. Salt Lake County Human Resources, on behalf of the Merit Commission, is tasked with recruiting, selecting and testing applicants to be placed on a certified hiring register. The basic merit principles, which govern the examination and selection procedures include:

- To select, promote and retain peace officer members based on merit through a system of impartial and objective examinations.
- To provide a merit system that offers advancement within the service when practicable and by protecting the tenure of employees who demonstrate continuing efficiency and satisfactory performance.
- To provide a modern system of merit administration that is fair and impartial regardless of race, religion, color, sexual orientation, gender, national origin, age, qualified disability, political affiliation, religion, marital status, or any other non-merit factor.

Salt Lake County Human Resources, on behalf of the Merit Commission, is accountable for the development and administration of merit examinations using fair and impartial merit principles.

Sworn employees of the Sheriff’s Office, except the political appointments of Chief Deputies and the Undersheriff, are hired as merit-covered employees through the Merit Commission. Prior to the Sheriff/Designee considering any person for the position of Correctional Deputy or Public Safety Deputy, the applicant must be certified on a hiring register. This register lists all applicants who have successfully passed the merit examination and have been ranked by their exam scores.
The Nature and Duties of Sworn Officers

A position as a Correctional Deputy or Public Safety Deputy is both challenging and demanding. A deputy’s work schedule is not typically Monday through Friday, 8:00 a.m. to 5:00 p.m. A deputy will be expected to work a great deal of shift work, as well as Saturdays, Sundays, and holidays. On occasion, a deputy may experience physical or verbal abuse from offenders or the public. This holds the peace officer to a higher standard of behavior than would be expected in many other occupations.

Correctional Deputy
Correctional Deputies perform a wide variety of police functions including but not limited to: Receive and process all individuals arrested or convicted, ensure safety of prisoners and security of the Jail, prisoner transportation, prisoner treatment and education, ankle monitor labor details, probation functions and serving the citizens of the Salt Lake County.

This position ensures the safety of prisoners through appropriate segregation and the supervision of daily activities in the housing units, ensures prisoner information collected is correct, including fingerprints and photographs, delivers judicial papers to prisoners when directed, records any occurrences in jail and/or unit during time on duty. *

Public Safety Deputy
Public Safety Deputies perform a wide variety of police functions including but not limited to: Courthouse security, In-court bailiff duties, facilities security, crime prevention, protection of personal liberties, and serving the citizens of Salt Lake County

This position patrols County facilities and work areas, responds to emergencies, calls for assistance, alarms, performs executive protection for County Council, Elected Officials, Judges and other employees, provides information and assistance to the public, protects participants in public meetings, including County Council meetings and court rooms, enforces parking laws, and provides crowd control at large events, provides escorts and transportation of County funds, takes custody of court defendants while waiting for transportation to the jail, testifies in court, takes custody of lost or unsecured property, checks County facilities for safety violations and pedestrian hazards, and writes reports.

(Please note: These are examples of some duties and are not intended to be used as a complete job description.)

Detailed Description of Physical Assessment Test Exercises

Vertical Jump
This is a measure of jumping or explosive power. The subject stands flat-footed with one side toward the jump machine and reaches up as high as possible to mark his/her standard reach. The subject jumps as high as possible and marks the spot on the wall above his/her standard reach mark. Score is inches rounded to the nearest half inch.

Sit-ups
The subject lies on his/her back with knees flexed at a right angle. A partner kneels at the subject’s feet and presses down on the subject’s insteps to keep the heels in contact with the floor. The hands must remain in contact with the head and fingers cupped behind the ears. When ready, the signal "go" is given and the subject sits up to touch the knees with the elbows breaking the vertical plane. Without pause, the subject returns to the starting position just long enough for the shoulders to touch the mat and immediately sits up again. The score is the number of sit-ups that can be completed in the allotted time period.

Push-Ups
The subject assumes a front-leaning position with the hands placed where they are most comfortable. The back, buttocks and legs must be straight from head to heels. Begin the push-up by bending the elbows and lowering the entire body until the tops of the upper arms, shoulders and lower back are aligned and parallel to the floor. A fist may be placed under the subject’s sternum and should be touched. Return to the starting position by locking the elbows. During the test the subject cannot rest the body on the ground. It is possible to rest, but one cannot relieve pressure from the upper body while in the resting position. If the subject does not keep the body straight or lock the elbows completely, that repetition does not count.
The Process After the Hiring Register

Hiring Procedure
When vacancies become available, the Sheriff/Designee submits a request to the Merit Administrator for a list of applicants from which s/he may select. The Merit Administrator will certify the number of applicants the Sheriff is entitled to, pursuant to state statute and Merit Commission policies. Current statute and policy allow certification of three (3) applicants for each opening available. The Sheriff/Designee may select any applicant from those certified for the vacancy.

Note: No applicant is guaranteed employment. Selections are subject to the discretion of the Sheriff/Designee. Applicants not selected will remain on the register for future consideration unless the Sheriff/Designee requests an applicant’s name be removed for good cause or until a new hiring register is established.

Conditional Offer Phase

Background Investigation
When the Sheriff/Designee has or anticipates job openings, she/he will issue a conditional offer of hire to the top-ranking persons on the hiring register. After a conditional hire offer is made, the Sheriff’s Office conducts a comprehensive background investigation. This investigation includes, but is not limited to, past work history, a criminal history check, a credit history check, and a computer voice stress analysis.

Interviews
As openings become available, applicants will be invited to a Sheriff’s Office Oral Interview, followed by a Background Interview. Applicants will be asked to respond to a series of questions designed to assess their ability to be successful in the position. The interview lasts for approximately 15-25 minutes.

If there are any problems or concerns related to the background investigation, these matters will be discussed with the applicant during the meeting with the Background Board. The Sheriff/Designee may request the Merit administrator remove an applicant’s name from the register if they do not meet qualifying standards or otherwise fail a background investigation.

1.5 Mile Run
The exercise involves measuring the time spent in running 1.5 miles. The distance covered in a specific amount of time is then used to determine the fitness category of the individual. This test requires a nearly exhaustive effort. It is assumed that the individual has had the proper medical examination and has been cleared for an exercise program.

On the day of the testing, it is recommended applicants abstain from smoking or eating for a minimum of two hours preceding the test. It is advisable to allow adequate time prior to the test for stretching and warm-up exercises. An important consideration at the end of the run is the "cool down" period. Applicants should not stand around immediately after the run but should walk for at least five minutes to prevent pooling of the blood in the lower extremities, which reduces the return of the blood to the heart.
Medical Evaluation
Applicants who are being considered for hire will be required to successfully complete a medical examination performed by a County designated or contracted physician. The Sheriff/Designee may request that an applicant’s name be removed from the merit register if they fail the medical exam. A qualified applicant with a disability, as applicable under the Americans with Disabilities Act, may request reasonable accommodations that would allow them to perform the essential duties of the job. The Merit Administrator will consider requests for reasonable accommodations.

Administrative Review
Persons with complaints regarding the examination or rating process may request an administrative review in accordance with Merit Commission Policy 4910 found on website http://slsheriff.org/page_pomc.php.

Academy Physical Assessment Qualifications
During the Academy, each applicant will be required to pass the physical assessment test as follows:

- During the first week, meet or exceed entrance requirement.
- During the Academy mid-term test, meet or exceed exit requirement.
- During the Academy final test, meet or exceed exit requirement.

Following the successful completion of the probationary period, the employee is awarded all status and rights of a sworn deputy covered by the Peace Officer Merit System.
