ELIGIBILITY REQUIREMENTS

An individual with a permanent disability must provide **ONE of the following** pieces of documentation to purchase a Disability Fitness Pass that permits the holder to bring an assistant with them at no additional cost:

1. A statement signed by a licensed physician stating that the applicant has a permanent physical, mental, or sensory impairment that severely limits one or more major life activities. This letter does not need to indicate the specific disability, just that it is permanent.
2. A document issued by a federal agency, such as the Veteran's Administration, which attests that the applicant has been medically determined to be eligible to receive federal benefits as a result of disability. Other acceptable federal agency documents include proof of receipt of Social Security Disability Income (SSDI) or Supplemental Security Income (SSI) due to disability.
3. A document issued by a state agency, such as the vocational rehabilitation agency, which attests that the applicant has been medically determined to be eligible to receive that agency's benefits or services as a result of medically determined permanent disability. Showing a state motor vehicle department disability sticker, license plate, or hang tag is not acceptable documentation.
