Help make the Jordan River Parkway trail safe for everyone by using the following guidelines:

**Give Audible Warning BEFORE Passing**
- SLOWER AND ON-COMING TRAFFIC. Use hand signals to alert those behind you of your moves. Look ahead and back to make sure others are aware. Drive in a consistent and predictable manner.
- Be Predictable
- Be Courteous
- Pass On The Left -
- Keep Right -

**Passing another user.**
- Voice, bell or horn before passing
- Wheelchairs, skateboarders, bladers and skaters, should be respectful of other users regardless of their mode, speed or level of skill.

**Signage -**
- Trail connects to the Murdock Canal Trail (18 mi) and then onto the Provo River Trail (15 mi) which ends in Orem.
- For more information on trails in Utah County see: utahco.parks.co.utah.us
